Terms and Conditions for Voucher Holders

This contract is made with you, but you can give the voucher to someone else provided you tell us in writing or by e-mail. These terms and conditions will still apply, and "you" in the rest of these terms and conditions will refer to that person.

1 - Our Obligations to You

1.1 The voucher will entitle you to participate in a tandem skydive at Beccles Airfield, Suffolk, on a date to be arranged, within a period of twelve months from the issue date shown on the voucher.

1.2 The voucher is not redeemable for cash.

1.3 Tandem skydiving and parachute flight sorties are completely dependant upon the weather and are regulated by the British Parachute Association (BPA) and the Civil Aviation Authority (CAA). It may be necessary to postpone a flight or tandem skydive if in our judgement, the conditions are not safe. We will give you as much warning of any postponement as operational procedures allow, but in order to ensure your safety we reserve the right to postpone a flight or tandem skydive at any time before or after your arrival at the airfield on any booked date.

1.4 If we have to postpone your tandem skydive on six or more occasions during the twelve month validity period, we will extend the validity period by a further three months free of charge.

1.5 We do not accept liability for any costs or expenses you incur if we have to postpone your tandem skydive, where the reason for postponement is beyond our control.

1.6 We will make a refund less an administration cost of £25, if it is certified by a doctor that there is no possibility that you will be medically fit to skydive, other than by reason of pregnancy, during the validity period of your voucher. If you are unable to skydive during the validity period of your voucher because you are pregnant we will extend the validity period until your doctor certifies you fit to skydive, but not exceeding 12 months from your voucher expiry date.

1.7 Registration at the airfield on the day of your jump will automatically give you insurance cover for Personal Liability (3rd party insurance). If you require Personal Accident insurance cover, you will need to arrange this yourself beforehand. Further details can be provided by contacting this office.

2 - Your Obligations to Us

2.1 Your voucher is valid for a period of twelve months from the issue date shown on the voucher. If your tandem skydive is not taken within that time you will lose the right to participate unless you have booked a date on six occasions which have had to be postponed by us or the validity period has been extended for some other reason under these terms and conditions. Before your voucher expires, you can extend the validity by a further six months beyond the expiry date. Such extensions will be subject to an administration fee of £25.

2.2 Your voucher can be redeemed either online at our website or by telephone. We will confirm your booking by letter or e-mail, and give you a provisional time to arrive at the airfield (see paragraph 2.3 below).

2.3 You are advised to telephone (07944 528146) the day before, to check that your tandem skydive has not been affected by adverse weather conditions, and to confirm your time of arrival at the airfield.

2.4 You may postpone your tandem skydive free of charge up to 14 days before your booked date provided that at the time you do so, you re-schedule your jump. Postponement requests made with less than 14 days but not less than 2 days to go before your booked date will be subject to a rebooking fee of £25. Postponement requests made less than 2 days before your booked date will be subject to a rebooking fee of £50

2.5 If you do not give notice of postponement in accordance with paragraph 2.4 above, or do not attend in time to take part in your booked jump, you will not be entitled to a rebook nor to any refund.

2.6 A maximum clothed weight of 210lb (male), 175lb (female), and a reasonable height to weight ratio is a condition of acceptance.

2.7 The minimum age is 16. If under 18, written consent from your parent or guardian will be required. We will send the necessary form to you when we confirm your booking date.

2.8 You will be required to complete the declaration of fitness form enclosed with your voucher, and bring it with you when you come to jump. If you are aged 40 or over, this form will need to be endorsed by your doctor. You must not jump if you are pregnant or under the influence of alcohol or drugs.
